Inspiration Serial Number Parts Compatibility Guide

Applies to: Nautilus branded Inspiration products made in the US and China

Links

At the beginning of 2019 Nautilus Inspiration branded products began being manufactured in China. The purpose of this document is to identify where the machine was made as not all parts are compatible between the US and Chinese versions.

Use the tables below to locate the correct parts list based upon the serial number.

Units with serial numbers after L19120012 will use the parts drawings for units produced in China
